Camping is a fun activity that includes staying outdoors for a quite some time to enjoy the nature and get rid of the stresses of everyday hectic life as well as giving the campers the opportunity to learn and practice new skills.

We work in Al Ain City Municipality to provide attractive areas for visitors which are suitable for camping by launching the first camping sites in Al Ain city in order to spend a distinct desert camping experience and enjoy the winter atmosphere in the city.

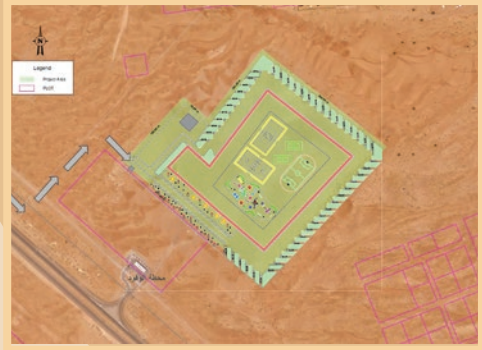

Campsite

Camping in the middle of the desert is a great opportunity to enjoy tranquillity and relaxation, while provide a calm atmosphere away from the hustle and hectic lifestyle of the city, where adventure lovers can organize camping trips with family or friends. Al Ain City Municipality has allocated two camping areas around Al Ain-Nahil Road to achieve this goal.

First Area: RV Park

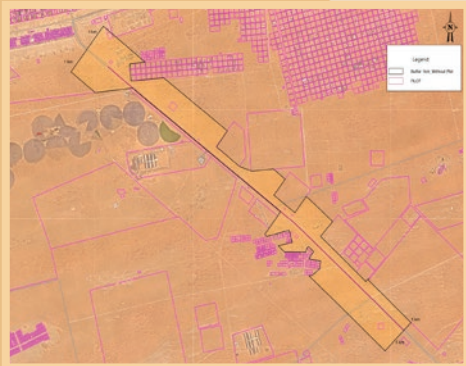

It is a fenced area dedicated to camping trailers (caravans) and was built on an area of **538792 square meters** and is characterized by providing lighting and sanitation services as well as providing the area with food trucks in addition to the presence of security guards. The area is characterized by its proximity to the seventh market and the petrol station (ADNOC).

Second Area: Open Camping Area

The open camping area extends from exit 25 to Nahil City on the Al Ain – Nahil road and is **18 km** long for each side of the road and camping is allowed in this area at a distance of no more than **1 km** inland.

Requirements

- Present the designated reservation number upon entering the camping area.
- Commitment when driving in the camping area at a low speed so that it does not exceed 20 KM.
- Commitment to the booking location and do not change it.
- It is strictly forbidden to use loud power generators. Only adhere to generators with a silent sound.
- Abide by the laws, customs and traditions when using the camp.
- Do not use floodlights (flashlights) and loudspeakers and respect the privacy of others.
- It is forbidden to use motorcycles, recreational and unlicensed bikes in the area based on the instructions of the Traffic Department.
- Take care of any dangers around your camping perimeter.
- The environment must be preserved, and waste must be disposed of in proper ways and thrown in the designated places.
- It is strictly forbidden to cut trees or tamper with any public property.
- Substances with harmful emissions are contraindicated when burning.
- It is forbidden to light a barbecue fire directly on the ground and the equipment designated for this must be used.
- Security precautions must be taken, and civil defences instructions must be followed to prevent fires at the site.
- Commitment when emptying the tank of camping carts in the designated places.
- Commitment to evacuate the site in the event of any directives issued by the competent authorities.
- Cooperating with the supervisors and observers of Al Ain Municipality in case of requesting any information or inquiries.
- In case of non-compliance with the removal of the camp after the end of the reservation period, the municipality has the right to remove and confiscate all the contents of the camp.
- The owner of the reservation is responsible for the camp and for the safety of life and property located within the site and is not entitled to claim from the municipality in the event of the loss of any belongings.
- Failure to comply with the above terms can expose you to legal violation.
